Imad Atyat-Allah, Front end Developer

As a skilled Front end developer with 1+ year of experience at Obytes and co-founder of Portfolly, I have a passion for creating intuitive and visually stunning websites. My biggest achievements include developing Portfolly, a one-click developer portfolio generator using Github Auth, and launching an events platform at Obytes. I am proficient in HTML & CSS, JavaScript & TypeScript, React, Next.js, Tailwind CSS, Git, and other modern technologies. I am constantly striving to improve my skills and stay up-to-date with the latest trends in web development. Let me bring my expertise to your next project!

Employment History
